

Curriculum Vitae

B. PARTHIBAN
02-11-2023

Name: B.PARTHIBAN

Current Position: Research Scholar, Department of Mechanical Engineering,
Guru Ghasidas Vishwavidyalaya (Central University), Bilaspur (C.G.)

Teaching Experience: 25 years

Research Experience: 2.5 years from Chase research solutions, Chennai

Industrial Experience: 1 year Dunlop India limited, Chennai

Research Area: Automobile suspension and vibration, Battery recycle, Sensor design, Solar cells, Neural network, Hydrogen fuel, electric vehicle.

Correspondence Address: Department of mechanical engineering Guru Ghasidas Vishwavidyalaya, Bilaspur

Languages Known: English, Malayalam, Telugu Tamil and Hindi

Mobile No.: +91 7999648607

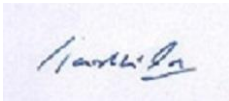

E-mail: parthi.auto16@gmail.com

➤ **Academic Qualifications:**

| Examination Passed /Degree | Board/University | Subjects | Division |
|----------------------------|-----------------------------------------|-----------------------------------------------------|---------------------------|
| High School | SBE, Tamilnadu | English, Tamil, Maths, Science, History & Geography | First |
| Intermediate/ Diploma | Murugappa College ,Chennai | Mechanical Engineering | First |
| Post diploma | Central college ,Chennai | R&AC | First |
| B.A | Annamalai university Chidambaram | Psychology | First |
| M.SC. | Madras University, Chennai | Psychology | First |
| MBA | Madurai Kama raj University, Madurai | Marketing &HRA | First |
| B.E | CEG Campus Anna University, Chennai | Mechanical Engineering | First |
| M.E | MIET Campus Anna University, Chennai | Automobile engineering | First with Distinction |
| PHD | GGV Bilaspur | Mechanical Engineering | pursuing |

- **Computer proficiency: 1.Dipolma in AutoCAD 2. Diploma in computer hardware maintance 3.MS-office**
- **Design and analysis: Anys Catia and Matlab**
- **Publications:** five research papers published in various International/National journals
- **PaperPresentationinInternational/NationalSeminar/Conference/Workshop:**
International Seminar/Conference: five

National Workshops: Two
Seminar: five
- **Trainer:** Student counseling and carrier guidance programme for diploma and degree in engineering.
Pre-placement training for diploma and degree in engineering students
- **Training &workshops:**
One week training programme topic on advanced Manufacturing Characterization of materials
NIT Raipur, CG
Two day Seminar topic on advanced research tools by ISTE, bhilai
One week training on Royal Enfield two wheeler technical service, Chennai
- **Departmental Responsibilities: (Education carrier)**
 1. Course Coordinator(Diploma and engineering college)
 2. Member of Admission Cell
 3. Coordinator of Examination Cell
 4. Sports Coordinator
 5. Library Committee member
 6. Member of Grievance, Discipline and Anti Ragging Committee

(Parthibanbalakrishnan)
