

School- Engineering & Technology

Department- Information Technology

Phone- 8962696827

Email- ajain.nit@gmail.com

Qualifications: B.Tech. , M.Tech., PhD Perusing

Area of Interest/Specialization: Biomedical signal processing

Experience; 11 Years

Best Peer Reviewed Publication:

1. "In Silico Molecular Interaction Studies of Chitosan Polymer with Aromatase Inhibitor: Leads to Letrozole Nanoparticles for the Treatment of Breast Cancer"
Aug-20 "Anti-Cancer Agents in Medicinal Chemistry
2. Current Research of Use of Wavelet Transform in Medical Engineering , IJSRD -
International Journal for Scientific Research & Development, 2016
3. Selection of Region of Interest for Assessment of Classification Accuracy in Remote Sensing Data, International Journal of Information Processing, 2010

4. **Consistent and secure multimedia data transfer over wlan fused network**
"International Journal of Computer Networking, Wireless and Mobile Communications (IJCNWMC), 2013
5. **Suitability of Sanskrit for Computer programming: A review, 2018 , IJTIMES**

Administrative Responsibilities

1. Member of Board of Studies
2. Committee Member of Physical Verification
3. Techfest co-coordinator
4. Committee Member for AICTE work Engineering & Technology.
5. Departmental website I/C
6. Departmental library I/C
7. Class I/C
8. Lab I/C
